

Furniture & Accessories Collection 2026

Ethnicraft

We create the foundations of your home to inspire the stories of your life.

For 30 years, we have been creating furniture and accessories shaped by material, purpose and longevity. Guided by our values, we work with quality materials and an honest, considered approach — favouring simplicity, authenticity and enduring appeal. Each piece is developed to be lived with, to age gracefully, and to remain relevant beyond changing trends.

Our collections span every room and setting, from pieces that anchor a space to those that bring subtle layers of warmth and character. Across interiors and outdoor settings alike, our furniture is shaped to support daily routines, shared moments and quiet pauses. We are continually inspired by the way people use our pieces, and how they become part of life as it unfolds.

Timelessness sits at the heart of everything we create. Our pieces are made to adapt, to sit naturally alongside different styles, and to be passed on — carrying the marks, memories and stories of one home into the next.

The newest of the new

Alongside this catalogue, we also launch new items throughout the year.
To see the latest designs, link directly through to view our novelties online:

Indoor

Outdoor

Material icons

You may come across these icons within this catalogue.

(O) Oiled

The items marked with this icon are finished with a natural oil. Visit page 374 for more information on how to care for our oiled furniture.

(V) Varnished

The items marked with this icon are finished with varnish. Visit page 374 for more information on how to care for our varnished furniture.

(B) Brushed

The items marked with this icon are brushed. This finishing gives our furniture more depth. The rougher surface highlights the grain of the wood.

(N) Natural

The items marked with this icon come without any finishing or protective treatment applied to the surface. A natural finish enhances the inherent beauty of the material but can require more maintenance. Visit page 374 for more information on how to care for our natural wood furniture.

FSC® Forest Stewardship Council®

The items marked with this icon carry the FSC® label. Visit page 372 for more information on the organisation that promotes responsible management of the world's forests.

Accessories

Specifically designed and released to mix and match within collections, create a tray table set by selecting from our perfect combinations, or by forming your own pairing. Placing and replacing trays to tray tables is simple with our specially designed bases.

Natural materials and artisanal qualities with a twist

Trays also function as décor or serve ware, or even as art when placed on a wall. Layer in texture, play with pattern combinations to suit the season or your mood, or just because you want to.

How it works

Adaptability, versatility and personalisation have never been easier.

Adding and removing trays is simple with our specially designed tray table bases. With secure base plates, no fixing is required. Trays fit securely in place.

Wabi Sabi collection

Wabi Sabi is inspired by nature, where vistas transform into layered watercolour paintings. Sky blues, grey and mist colours layer the horizon, and as the sun sets, a whole new palette with warm autumn hues appear.

Translucent Silhouettes collection

Translucent Silhouettes artfully layer organic dots atop an aged surface, creating a sense of depth and allowing dynamic combinations to blossom. While the overall result is bold, a lightness is conveyed with delicate inks and pigments.

Second Nature collection

The Second Nature tray collection is inspired by the organic shapes and abstract shadows of nature; stacked rocks, the bark of a tree, the markings on a turtle's shell. A harmonious blend of organic inspiration and contemporary design, Second Nature perfectly layers hand-printed glass over the warmth of wood. The artistry of the moss green and metallic ink palette brings a quiet sophistication to its surroundings.

Valet trays

Bold colours, patterns and textures enclose neatly within slim edges, framing the design like a work of art. Each valet tray's compact size allows for endless versatility. Placed in the hallway, it's a key holder. In the bathroom, it's a jewellery tray. On a coffee table, a decorative conversation starter. Valet trays are stylish accent pieces in any space.

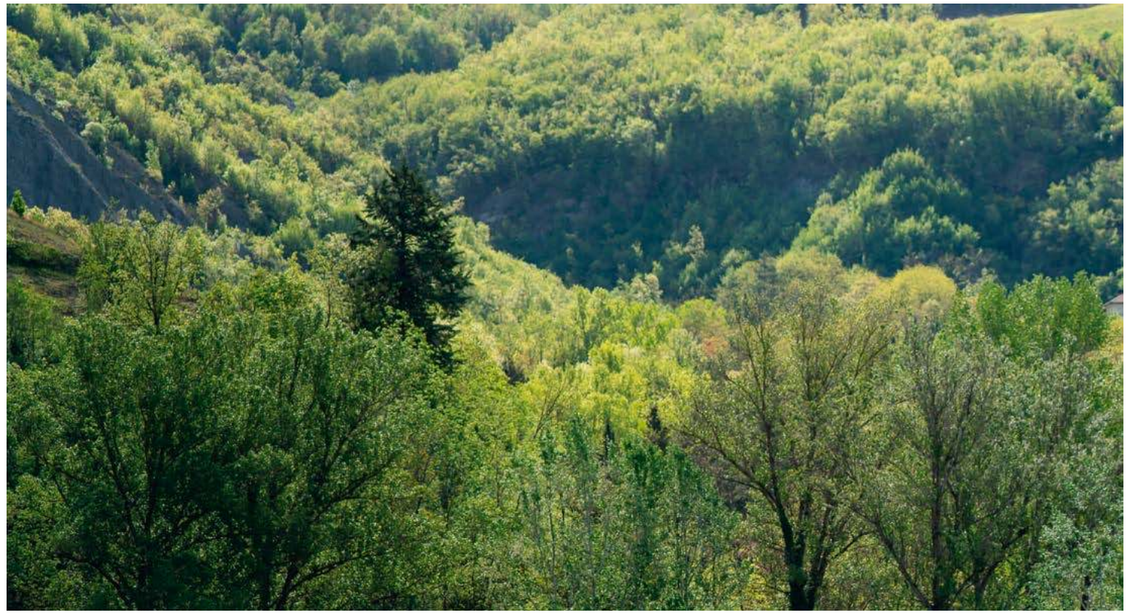
Support

Additional information
and resources

Our sustainability commitment

We believe that durability and sustainability start with choosing the right quality material, and wooden products are particularly suited for refurbishment.

As a vertically integrated company, we know we are in a unique position to contribute to a sustainable shift in the industry. From design to the sourcing of raw materials, packaging and testing, we pay great attention to environmental protection and consumer safety throughout the product-development process. As a company, we work to minimise waste and close the loop toward circularity. Together with our Partners, we strive to do our humble share. Just as society and the industry evolve, so do we. We know there is no finish line in this journey and continue our efforts to constantly improve our products and operations.



DURABILITY BY DESIGN

We pay particular attention to the quality of our products, not only during the development stage, but throughout the entire life cycle. We believe that durability and sustainability start with choosing the right quality material, and wooden products are particularly suited for refurbishment. Our team is always available to advise on how to care for products and thus extend their lifespan, as well as how to repair them. When developing new products, we consider repairability at the earliest design stage. Where possible, we provide spare parts to further extend the life of our products.

THE ORIGIN OF OUR WOOD

The ultimate noble and renewable material, all our wood is sourced from responsibly and carefully managed forests compliant with the EU Timber and Deforestation Regulations and the Forest Law Enforcement, Governance and Trade (FLEGT) Action Plan, mapping and tracking the total supply chain from tree to finished product. In addition, our wood sourced from Indonesia is verified under the Indonesian Timber Legality Assurance System (SVLK). Our teak collection includes products certified as FSC® which are clearly labelled in the catalogue.

Finally, we carry the FSC® CoC (Chain of Custody) certification of our distribution centres.

FOCUS ON QUALITY

Producing furniture and accessories at the highest quality, strength and safety is extremely important to us. Our internal protocols are based on the internationally recognised safety and durability standards set by ANSI and BIFMA to guarantee compliance, specific products within our collections are certified by independent external facilities to meet the European and North-American requirements for contract-grade use. Products also meet specific requirements based around ecological and health regulations such as toxic substance use, formaldehyde emissions and flammability. As we take a clear stand against forever chemicals, no PFAS substances are intentionally added to our finishes or textile products.

WASTE REDUCTION AND CIRCULARITY

We want to remain as environmentally friendly as possible, working to reduce waste from the earliest design stage. With this principle, we design to reduce or reuse as much scrap wood as possible. Production waste such as leftover logs, wood and sawdust are reused for other purposes. With full control over the (re)design, production, distribution, refurbishing and recycling processes, we are developing a vision for sustainability based on designing for circularity and lengthening product lifespans.

How to care for our products

About natural materials

The beauty of natural materials lies in its peculiarities and imperfections. That is what separates true beauty from the artificial. Variations in wood grain and colour, knots, medullary rays and other natural characteristics are inherent in solid wood. These are far from flaws, but an intricate part of its character. Stone and concrete can also have minor pitting or surface fissures. We believe that these imperfections contribute to the charm of Ethnicraft products.

Wood, like any other natural and porous material, continues to absorb and release humidity throughout its life. Although Ethnicraft designs furniture that adapts well to the hydrometric conditions of its environment, some cracking or movement may occur. Please do not be alarmed, this is a normal response to the furniture's environment.

TIMELESS DESIGN

All our designs are intentionally timeless. They withstand trends and associate well with different styles, and they can be moved from one space to the next, carrying over the stories of one lifetime into another. Our collections go back to the essence of what we believe is good design: pieces full of character, made from quality materials that age beautifully.

CRAFTSMANSHIP

Outstanding craftsmanship is at the core of our brand, and behind the simplicity of our pieces lies a constant drive for innovation. Incorporating advanced techniques to our process of creation, each new design is revised and reworked to the last detail: every curve, texture and line reflect our design values.

General care & maintenance tips

01 Recommended humidity in the room for interior products: between 40 and 60%.
02 Ideal room temperature: between 21°C/70°F and not below 14°C/57°F.
03 Do not drag the furniture along the floor; always lift the furniture when moving.
04 Avoid exposure to extreme conditions: do not place furniture or accessories near heating sources or air-conditioned spaces.
05 To prevent staining, we recommend that any spills are removed immediately.
06 When cleaning the surface, always work in the direction of the wood grain.
07 Use placemats and/or coasters to prevent hot pots and pans, or cold glasses and bottles, from damaging items.
08 Always ensure water and solutions used to clean the floor do not come into contact with the furniture's base, as it might leave permanent marks. For items that feature rubber glides, avoid alcohol-based cleaners on floors they are in direct contact with.
09 Indoor products are not intended for outdoor use. An outdoor product will always indicate so in its name.Last but not least, we always recommend to carefully read the care instructions specific to your item.
10 To prevent colour differences, do not place furniture or accessories in direct sunlight, and move objects placed on the furniture from time to time. Open extendable tables on a regular basis.

Upholsteries & soft furnishings

Do not wash unless clearly indicated on the label attached to the item. Machine or hand washing (even at a low temperature) might lighten the colour and shrink the fabric.

Any spills or stains on textiles should be treated immediately. We recommend using Ethnicraft Textile Cleaner followed by the Ethnicraft Fabric Protector. Always follow the instructions on the label.

Pilling is the result of excess fibre on the fabric or from external sources. This is not a defect but a characteristic of many textiles.

For our leather items, many of the hides used are left in their purest form. This means there is little or no surface treatment, allowing for the unique natural beauty of each hide to come through. For cleaning and care, use the Ethnicraft Leather Care Kit. Follow the directions of use on the labels.

TO KEEP UPHOLSTERIES IN OPTIMAL CONDITION, WE RECOMMEND:

01 Removing pilling by using an antipilling machine.
02 Avoiding placing item in direct sunlight.
03 Dusting or removing crumbs by wiping down upholstery with a clean cloth or soft brush. Do not rub.
04 Avoiding using a vacuum cleaner. If you do use one, select the lowest suction and use a soft upholstery attachment.
05 Treating spills immediately. Blot up as much of the spill as possible with a clean, dry, white cloth. Do not rub.
06 Treating stains by using a clean, slightly damp white cloth, blotting from the outer edge to the centre of the stain.
07 Avoiding chemical products on your upholstery.
08 Reviewing the care label or instructions specific to your item.

All woods, hard surfaces & materials

REGULAR CARE

For dusting, use a dry cloth. For cleaning, or in case of a spill, use a damp cloth and natural soap. Wipe in the direction of the grain. Do not use soap containing detergent or other chemicals. Dry with a soft, clean cloth to prevent spotting.

It is always recommended to protect any surfaces with coasters, mousepads or placemats. Repetitive daily use or heat can damage the finish. Always move objects such as flowerpots, vases, etc., from time to time. Ensure any excess water or dampness is wiped dry immediately to prevent marking the surface.

Outdoor

Ethnicraft Outdoor fabrics and woven cord are water-repellent, UV resistant, hypoallergenic and maintenance-friendly.

Our natural teak range comes without any finish or protective treatment. Over time, untreated furniture will grey with prolonged sun and rain exposure. This colour change is completely natural and purely superficial; it does not impact the strength or quality of the timber.

Our black teak range is brushed and varnished with the colour taint applied. This finish has been specifically developed to withstand natural elements such as severe high and low temperatures and UV light, as well as moisture and humidity.

While no additional treatment is required on any Ethnicraft Outdoor teak product, you can choose to apply a specialised teak cleaning product such as Ethnicraft Outdoor Teak Cleaner to remove any dirt buildup from items. To protect against stains and green deposits, and to slow the grey patina process of natural teak, you can use a teak protector such as the Ethnicraft Outdoor Teak Protector.

Our concrete range is hand finished, making each item unique. A clear topcoat is applied to provide optimal protection against any spills or daily use, both in and outdoors.

Our aluminium furniture is lightweight and powder-coated specific for the high UV of outdoor environments. Aluminium is a great low-maintenance material.

See the full Outdoor care instructions for detailed care tips.

OUTDOOR FABRICS, CORD & UPHOLSTERY

Ethnicraft Outdoor fabrics and woven cord are water-repellent, UV resistant, hypoallergenic and maintenance-friendly.

Clean with clear water and a natural soap. Covers are machine washable up to 30°C/86°F.

All cushions are inserted with a long-lasting, all-weather quick-dry foam.
To keep your Ethnicraft Outdoor furniture in optimal condition, we suggest fitting our custom-made raincovers during seasons when it is not in use, or during periods of bad weather.

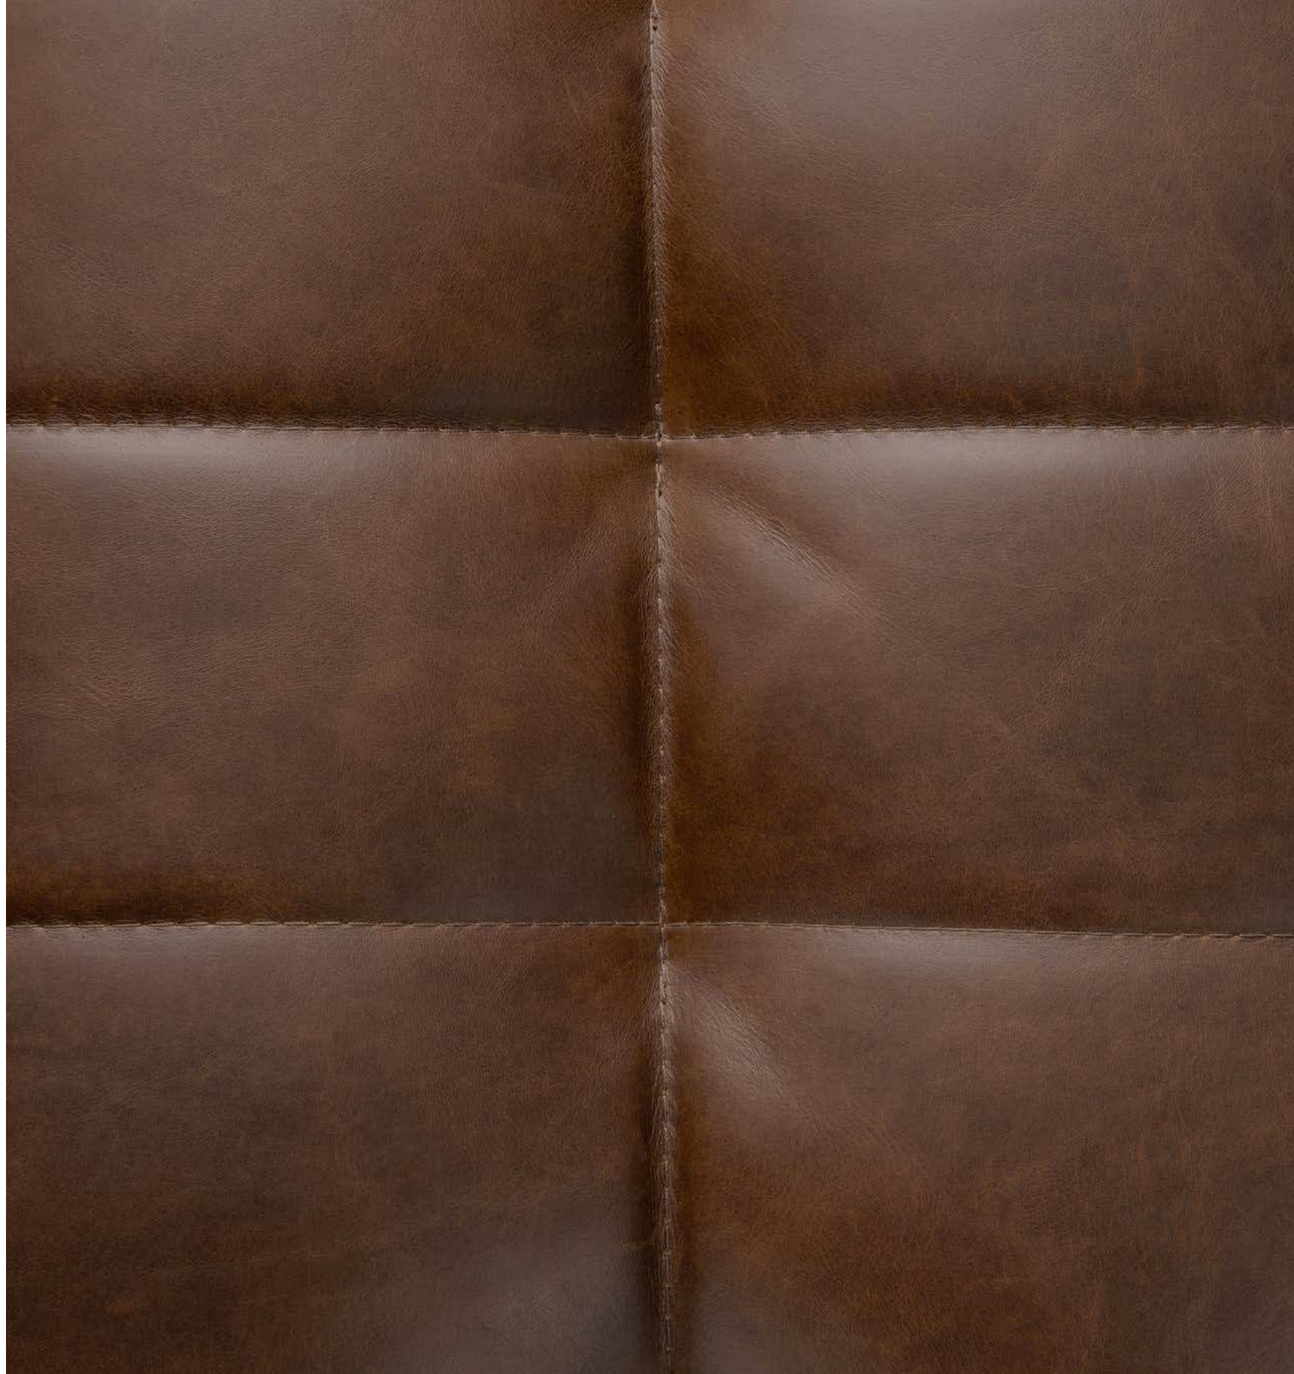
Ethnicraft care products

Ethnicraft Leather Care Kit

1x250ml leather cleaner + sponge & cloth, 1x250ml leather care & protect 6 kits/1 box	**19919**

Keep natural leather items in the best condition by using our water-based Ethnicraft Leather Care Kit, formulated without added solvents. Containing a mild and safe Natural Leather Cleaner and specialised sponge, all leather surfaces are revitalised, effectively removing stains and previous layers of leather cream. The transparent Leather Care & Protect cream then nourishes and preserves leather suppleness, preventing stains and providing additional protection against dirt and moisture, skin oils and perspiration, UV and more. Regular maintenance extends the life and beauty of full-grain leather, keeping surfaces smooth and supple. Do not use on napped leather such as nubuck and suède.



Ethnicraft Indoor/Outdoor
Textile Cleaner

500ml/bottle **19929**

To maintain all fabrics and textiles, use Ethnicraft Indoor/Outdoor Textile Cleaner. Specifically designed to safely remove dirt and stains, the formula restores the original look of both indoor and outdoor fabrics and upholsteries. Always follow the care instructions specific to the textile item alongside the user instructions on the bottle. Water-based formulation, without hazardous components.

Ethnicraft Indoor/Outdoor
Textile Protector

500ml/bottle **19930**

To help prevent fabric stains and repel liquids, use Ethnicraft Indoor/Outdoor Textile Protector. Spray directly on a clean and dry textile to restore the moisture and dirt resistance, as well as provide a UV-blocking treatment. Always follow the care instructions specific to the textile item alongside the user instructions on the bottle. Water-based formulation, without hazardous components.

Ethnicraft Outdoor
Teak Cleaner

500ml/bottle + green pad **19927**

To maintain your Ethnicraft natural teak outdoor item, use Outdoor Teak Cleaner from the outset of use. Specifically designed to safely deep clean and restore the original colour of outdoor teak items, Ethnicraft Outdoor Teak Cleaner also works to brighten weathered teak. Use alongside Ethnicraft Outdoor Teak Protector to prolong the desired finish tone. Water-based formulation, without hazardous components.

Ethnicraft Outdoor
Teak Protector

500ml/bottle **19928**

To prolong the original finish of your Ethnicraft natural teak outdoor item and prevent stains, use Outdoor Teak Protector regularly from the outset of use. If the grey patina look that comes with natural weathering is preferred, simply rinse down furniture and clean using Outdoor Teak Cleaner before use. Ethnicraft Outdoor Teak Protector can always be applied at any point to prolong the desired wood colour. Water-based formulation, without hazardous components.

Ethnicraft Outdoor
Aluminium Cleaner

500ml/bottle **19931**

To maintain the appearance of your Ethnicraft Outdoor aluminium furniture, we recommend using the Outdoor Aluminium Cleaner. This formulation is specifically designed to safely remove dirt and stains, restoring surfaces to their original finish. Easy to use, with a water-based formulations and no added solvents, the Ethnicraft Outdoor Aluminium Cleaner ensures your furniture remains clean and refreshed with minimal effort. Use in conjunction with the Ethnicraft Outdoor Aluminium Protector for comprehensive care.

Ethnicraft Outdoor
Aluminium Protector

500ml/bottle **19932**

To preserve the original finish of your Ethnicraft Outdoor aluminium furniture and protect it from stains, we recommend using the Outdoor Aluminium Protector regularly. This water-based formulation, without added solvents, helps shield aluminium surfaces from the elements, maintaining their appearance for longer. Use in conjunction with the Ethnicraft Outdoor Aluminium Cleaner for comprehensive care.

Ethnicraft Outdoor
Stone & Concrete Cleaner

500ml/bottle **19933**

Restore the natural beauty of your Ethnicraft Outdoor concrete furniture with the Outdoor Concrete & Stone Cleaner. This specialised formula effectively removes dirt and stains, bringing surfaces back to their original appearance. Water-based, and easy to use, the Ethnicraft Outdoor Concrete & Stone Cleaner is essential for keeping your concrete and stone furniture looking its best. Use in conjunction with the Ethnicraft Outdoor Concrete & Stone Protector for comprehensive care.

Ethnicraft Outdoor
Stone & Concrete Protector

500ml/bottle **19934**

Prolong the original finish of your Ethnicraft Outdoor concrete furniture with the Outdoor Concrete & Stone Protector. Designed to help prevent stains and protect against daily wear, this water-based formulation, without added solvents, helps maintain the durability and appearance of concrete and stone surfaces. Use in conjunction with the Ethnicraft Outdoor Concrete & Stone Cleaner for comprehensive care.
