HT1 HIGH TABLE – WITH CHAIR SUSPENSION

The HT1 high table is designed by byKATO. A stylish, simple table which suits any environment – whether it's a canteen, a common room or a reception area.

The collection consists of two tables of different heights, each of which is available in three lengths, up to 480 cm. There is also a model with extra width. The tabletop is available in a wide variety of colours. This maximises the options for creating exactly the table that fits into your context. The footrest has a stainless steel casing which completes the table in a classic and stylish way.

The HT1 high table with extra width is available in two heights and two widths, as well as in five different lengths. The standard width is 75 cm, while the extra wide tables have widths of 100 cm and 120 cm respectively. These tables are ideal for meeting tables, canteen tables etc.
