MAKURA CUSHION 41

Raw Linen Cushion for the Atsu Dining Chair. Enhance the sculptural beauty and comfort of the Atsu Dining Chair with a custom-designed cushion, crafted from raw linen. The natural texture of the linen complements the organic grain of the FSC-certified American Red Oak, adding a soft, tactile contrast to the chair's bold, architectural form. The raw linen's subtle irregularities and earthy tone underscore the chair's minimal aesthetic, while the cushion's understated presence allows the Atsu's asymmetrical design to remain the focal point. Thoughtfully designed to provide gentle support without compromising the chair's visual impact, the cushion offers both comfort and harmony, inviting you to experience the chair's artistry with ease. A refined addition to an already iconic piece blending sculptural intention with everyday usability.

MAKURA CUSHION 31

Raw Linen Cushion for Brutus Dining Chairs. Tailored for the Brutus dining chairs, this raw linen cushion enhances both comfort and aesthetic appeal without compromising the sculptural integrity of the design. Inspired by the Brutalist architecture movement, the Brutus dining chairs—available in both hand-painted fiber concrete and solid FSC-certified American Red Oak balance sharp architectural lines with soft, organic curves. The cushion is crafted from natural raw linen, chosen to complement both the rugged texture of fiber concrete and the organic warmth of natural oak. Its subtle texture and earthy tone enrich the raw beauty of the chairs, adding a soft layer that enhances the seating experience while preserving the collection's clean, architectural presence. Handmade with care, the cushion fits seamlessly into the seat, ensuring it remains in place while accentuating the unique form of each chair. Designed to evolve alongside the Brutus collection, the raw linen cushion brings refined comfort to these sculptural statement pieces, bridging the gap between architectural precision and inviting tactility.
