

Zoe

Zoe è una collezione di poltrone caratterizzata dal particolare abbinamento di materiali diversi, come l'alluminio e il cuoio. Quest'ultimo viene sapientemente lavorato per dare vita a uno schienale 'a busta' con cuciture sartoriali, o con intrecci in cuoio realizzati a mano. Zoe ha la seduta imbottita e i due cuscini schienale opzionali rendono questa poltrona ancora più confortevole e versatile.

Zoe is a collection of armchairs characterized by the special combination of different materials, such as aluminium and saddle leather. The latter is wisely worked to give life to an envelope-shaped backrest with sartorial stitchings or with hand-woven saddle leather pleats. Zoe has a padded seat and two optional back cushions make this armchair even more comfortable and versatile.
