At Andersen Furniture, we believe that furniture and interiors are about more than just functionality. We are a design company that works with architects and designers to challenge form, function and material. Creating furniture that lasts for generations. Our approach to design is based on curiosity, innovation and talent for everyone's benefit.

With respect and care for the environment, we combine our passion for aesthetics with craftsmanship to
Create furniture and interiors for professional spaces and unique homes.

Andersen Furniture - "Quality Meets Design"

110
years of
Danish design

This year is special, as Andersen Furniture celebrates 110 years of Danish design. Grounded in tradition and built on classic craftsmanship, with attention to detail and honest materials, it creates timeless designs made to last for generations.
