

## Louis Up

Essenziale e rigoroso, il sistema di sedute Louis Up ha come elemento caratterizzante un unico cuscino di seduta: una scelta estetica capace di conferire alla collezione un'immagine leggera e contemporanea, esaltata da volumi sottili e dai piedini in metallo.

Essential and severe, the Louis Up seating system shows as characteristic element a single seat cushion: an aesthetical choice conferring to the collection a contemporary look, enhanced by the light volumes and the metal feet which rise it from the floor.
