

## Brons

Forme, colori e dimensioni che, liberamente accostati, danno vita a imprevedibili giochi grafici. Sono i pouf della collezione Brons, elementi con struttura in legno e imbottitura in poliuretano indeformabile, utilizzabili sia come una comoda seduta che come versatili piani d'appoggio.

Shapes, colours and sizes that, freely combined, give life to unexpected graphic patterns. These are the Brons ottomans, elements with a wooden frame and non-deformable polyurethane padding that can be used either as a seat or as a versatile support.
