

Harris

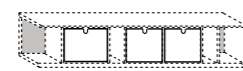

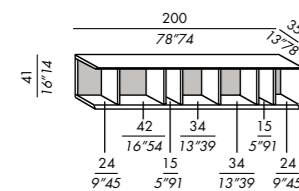

Pensile a sviluppo orizzontale, di dimensioni contenute. Il look pulito ed essenziale è arricchito dal taglio a 45° dei ripiani orizzontali, che possono completarsi con i box optional. Volumi pieni e vuoti creano così un piacevole gioco di equilibri.

A horizontal wall-unit of limited size. The neat appearance is underlined by the detail of the neat cut to 45 degrees of the shelves, which can be completed by optional boxes. Full and empty spaces create an interesting play of balance.
