S6 - ELEGANT STORAGE WITH CRAFTSMANSHIP DETAILS

S6 is a beautiful and practical storage solution that is suitable in your home, the office, meeting room or the open common room.

The functional piece of furniture has both drawers and doors and can therefore be used to storage everything from your tableware for your meetings or folders. The sideboard is made of solid wood. A piece of furniture that has its foundation in solid and classic craftsmanship.

Both doors and drawers have soft-close, so they don't make any unnecessary noise in the open home, offices or in the meeting room.

PRODUCT HIGHLIGHTS

- Quality furniture with visible taps and other craftsmanship details
- Soft-close on all doors and drawers
- Beautiful storage for e.g your home, the office or meeting room
- Available in several different wood, colours and combinations on the doors
